12:30 - Lunch & Networking

14:00

SESSION 2: HOW TO PROMOTE GROWTH AND DELIVER RESILIENT END TO END SUPPLY CHAINS

A look at the changing landscape in end-to-end intermodal networks & the just in time supply chain.

14:00 Opening Address

Michelle Gardner, Deputy Director – Policy, Logistics UK

Logistics UK will highlight the opportunities in the supply chain for innovation and modal shift to benefit the environment and consumers as well as operators throughout the supply chain.

14:15 What mode of transport uses Ports?

Stephen Carr, Group Commercial Director, Peel Ports Group

We explore why the true answer to that question defines why both industry and consumers need to think differently about the role and the functions of modern ports.

14:30 Practical examples of building resilience into a supply chain using intermodal services

Geoff Lippitt, Chief Commercial Officer, PD Ports

How intermodal, short sea shipping, RoRo, LoLo and last mile delivery road haulage can interlink to provide resilience and enhance capacity for ports and operators

14:45 Port of Antwerp-Bruges – providing total intermodal connectivity solutions

Justin Atkin, UK & Ireland Representative, Port of Antwerp-Bruges

With excellent connections to the hinterland by estuary and inland barge, rail, road, and pipeline, discover how the Port of Antwerp-Bruges provides totally integrated transportation solutions, helping shippers 'green' their supply chains.

- 15:00 Q&A**
- 15:20 Coffee & Networking**
- 15:50 PANEL DISCUSSION: Freeports: Driving change for coastal shipping and the supply chain?**
A discussion on the impacts and benefits of Freeports. How will supply chains adjust?
