# ADVANCED DIPLOMA in MARINE INSURANCE

## Syllabus

### SHIPPING BUSINESS

- The shipping business entity
- Shipping business sectors
- Business ethics
- Geography of trade
- International trade and finance
- Business communications
- Shipping organisations – their role and contribution

### MARINE INSURANCE

- Shipowners, operators and managers
- The principles of marine insurance
- The practice of marine insurance
- Claims
- General average

Both subject exams must be passed during the same exam session in order to qualify for the Advanced Diploma.

View the full syllabus at: [www.ics.org.uk/learning/syllabus](http://www.ics.org.uk/learning/syllabus)

## Further subjects and qualifications available

### FOUNDATION DIPLOMA

Ideal for new entrants or those wishing to pursue a career in marine insurance.

### PROFESSIONAL QUALIFYING EXAMS (PQE)

While the Diplomas are recognised qualifications in their own right, they also carry credit towards the seven professional qualifying examinations (PQE) required to be eligible for Institute membership. The Institute syllabus offers 16 subjects to choose from to enrich your knowledge and skills and further enhance your career.

## Supported learning

Gain additional support for your learning through networking, mentoring and branch events including free revision evenings and options to attend Institute PREP events.

**Talk to us about designing your own company specific qualification with co-branded certification.**
